

**TOUGH,  
LONG LASTING  
SOLUTIONS  
TO VIRTUALLY  
ANY SURFACE**

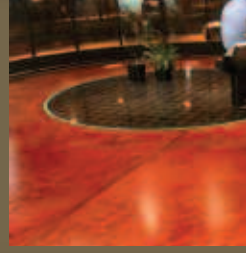

Elite Crete Systems continued commitment to the Decorative Concrete, Interior Flooring, Industrial Coating and Concrete Restoration segments with affordable, durable solutions and finishes

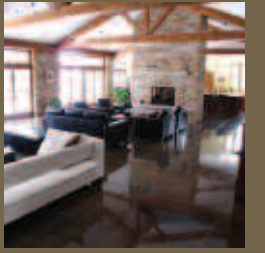

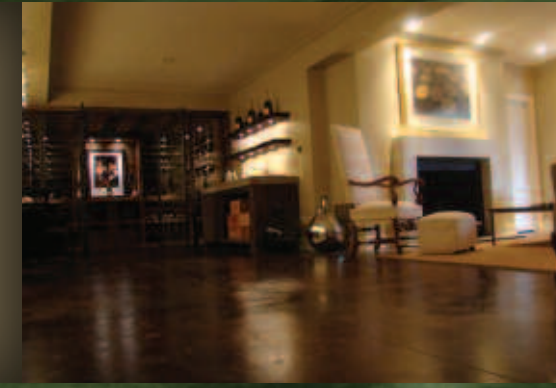

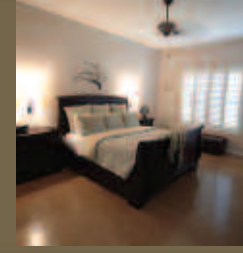

Backed with the expertise of over two decades, Elite Crete Systems and its company-wide investment in state-of-the-art manufacturing facilities offers property owners the premiere solutions for exterior and interior surfaces. Our products cover a broad spectrum of options for a multitude of sometimes vastly different industry's, sectors and property owner needs.

## OTHER BENEFITS AND FACTS:

All photos shown depict various types of Elite Crete Systems products applied on top of an existing substrate whether the substrate was new, existing, damaged or in need of repair.

Not all products are suitable for exterior or interior use. Read the applicable Technical Data or Product Information documents for intended use and restrictions.

In most cases, there is more than one method or combination of products that can achieve the various finishes depicted in this brochure. Consult with your local Elite Crete Systems Distributor for advice and recommendations.

Visit us online at [www.elitecrete.com](http://www.elitecrete.com) for additional information and to find a local representative near you.

## ELITE CRETE SYSTEMS DISTRIBUTORS:
